

Mock Home Inspection Class
Tues., 25 Oct, 1130-1300
Hosted by the FJ Housing Services Office

A licensed home inspector will provide the critical information needed to safeguard your loved ones, minimize your home investment risks and prevent unfavorable maintenance surprises.

After the instruction portion of the class, you will be given the opportunity to put your new skills to the test by conducting an on-site inspection.

Learn more about:

- Different types of home inspections
- How to choose a licensed home inspector
- Why an inspection is vital even when moving into new construction
- What inspectors look for
- Fire/safety issues and more!

Interested? **RSVP by 21 Oct to the Housing Office at 751-9323/9339/5788.**

This class is open to all I.D. card holders.

Lunch will be provided!

Hope to see you there!
